Shindou Reika
Next spring, let's meet again!
There isn't a single person at Minami Middle who doesn't know of her
She's smart, attractive, and she's the daughter of the president of the Shindou Corporation.
She's admired by the entire school, both boys and girls
Sensei!
Reika-sensei!

That's amazing! You actually confessed to Reika-sensei face to face!
Ya! You were watching!?
Well, you've seemed kind of off since this morning so we thought that maybe...

It's been a year since that huge confession
Quit it~ It's embarassing~
She said "I'm wanting," that's amazing! I'm cheering you on~

S-sorry!
Excuse me!
Yes!
C'mon, that's where you come in!
Eh?
I started followin' ya on my own, so why're you the one who's apologizing!?
Okay

Which dorm are you in?
The Tsubaki dorm... but
By "which," you mean..?
There's two dorms, "Tsubaki" and "Ayame." Didn'tcha read the map?

Wait for me, senpai!
But to be admired like that, she must really be somethin'
What's she like?
So people can turn into stalkers without even knowing it, huh.
It was a joke.
Yer really easy to tease ainchoo.
SINKING

Reika-senpai...
...she's the person who made me lift my chin up
"So cute~"
"Nice~ Is that a natural perm?"
"I'm jealous~"
I've heard that all the time, ever since I was little...
It's nothing to be envious of at all.
Soggy when it rains
Morning explosion
I felt like everyone was laughing at me.

I hated my own hair-type,
That's a perm, isn't it?

Really?
I'm going to call your house to make sure.
Nobody believes me at all.

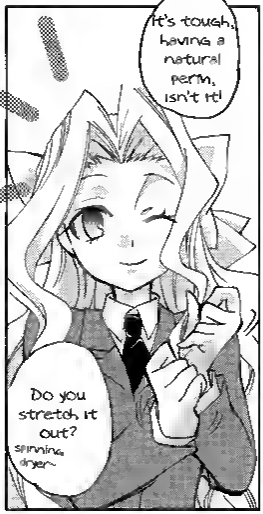
Ah, I see.
I suppose there's no problem if you say so, Shindou-san.
Alright I have to hurry back.
Awful huh?
She didn't apologize at all
step step

I get depressed on rainy days too. I even had water bubbles in my hair during my entrance ceremony.
I can tell
...yes.
SHAAA



It's tough, having a natural perm, isn't it!
Do you stretch it out?

...I wish she wouldn't group it together with my awful hair

It sure does rain a lot out here...
It's pretty and it suits her too
Her frizzy hair isn't bad at all

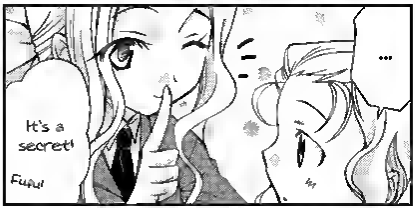
GRAB
!?

Tough, isn't it? I know!
You do not!
What's with this person?
Oh!
You use spray to harden it?
That's pretty good with unruly natural perms.
Um!
I don't want this! Is she teasing me?!
FWIP
Now don't move.
SLIP
It really is just like my hair
Please sto-

There!
So cute!

When I really want it to look nice, I roll mine up in curlers
SHAAA
It's fun even when it's unruly
Ah, but that might turn it into a perm

See?
You should do this when it's rainy



...
It's a secret!
Fufu!

All I did was lift your bangs, but hasn't your field of vision opened up too?
You shouldn't always face the ground like that, you need to look up!
Right?
Eight centimeters of bang magic Senpai gave me
...yes.

But the building looks like a mansion and I thought that might be an option at a high-class place.

So, how was our "butler-café"-style reception?

Hm? Oh, right

She said "it's about time."

I've decided!

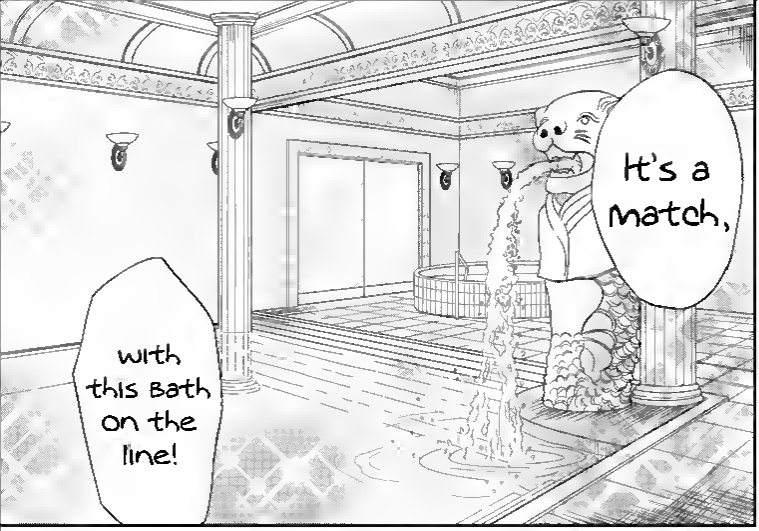
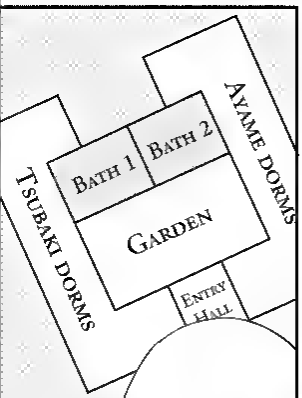
These two for Tsusaki!!
My they look unreliable here
I don't know what's going on,
but it would have been wiser to use a different type
Um. Senpai, what exactly is
I see,
"brains and brawn," eh?





Both dorms are equipped with roughly the same dining rooms, room arrangements, and facilities

1F

With the intent of purposefully having both sides work hard to further their studies, Niji no Oka has the two dorms "Tsubaki" and "Ayame."
Waa
It's huge
Isn't it!?

Wait a minute, this isn't "normal" at all
and all kinds of machines. It's a perfectly normal bath.
This is the jacuzzi, sauna,
The only difference is this bath.

That thing I can not call that a "bath"
This year this year, we'll definitely !

And the other bath is...
It isn't one!

Basically... It beats Niji no Oka's spirit into you from the first day
Every year as a custom, each dorm picks two new students. Together with the dorm leader, we all compete to see who gets to use this bath.
So what's this "match?"
It... It's that horrible!
That's why the bathrooms're different?
Hmm... well, that's a mystery.
Tsubaki wins every year, so Ayame's resolve is nothing to sneeze at
Hey! Are you prepared to lose?
Woo!
I see...
glance
...
Just leave it to me Senpai
We're gonna crush you, Tsubaki!

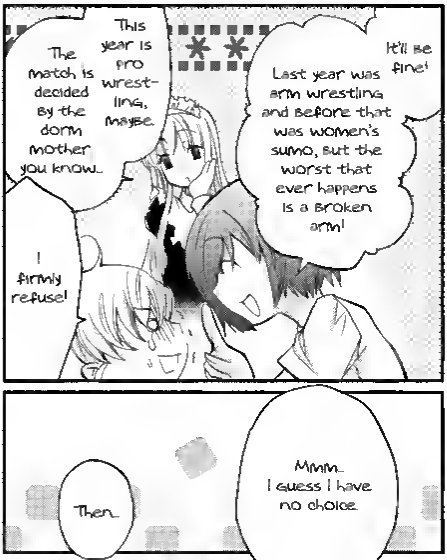
Alright! Let's do this!
This looks like fun.
Wait, she didn't see it!?
And she's getting excited!?
YAHOOO!
That's the spirit! That's the spirit!
BAM



This year is pro wrestling, maybe.
The match is decided by the dorm mother you know.
I firmly refuse!
It'll be fine!
Last year was arm wrestling and before that was women's sumo, but the worst that ever happens is a broken arm!
Then...
Mmm... I guess I have no choice

...

kiss!?
shock
Ki...
If we win,
I'll reward you with a kiss!
How about that?

...anyway, a k-kiss... when I really think about it, I "l...
And would that person really say something like that!? But there's no doubt that she is Reika-senpai, so what should I
...but right now she's not the Senpai I know you could almost say she's an entirely different person
Ah.. my admired Reika-senpai's...

So everybody's gathered then?
clop

Pchoo
this would be my first kiss..
Wah!

That's the supervising dorm mother, Chiyoko-neesan.

Now that I think about it it started before we got to our room!

It's great yer dream's finally fulfilled.
Ue... yeah
Back before we moved to our house, I shared a six-tatami room with my little sister.
Six-tatami?
Share!?
And we had bunk beds!
Mihane,
So if I could, I wanted to get the top...
I wanted to sleep on the top bunk,
but my sister didn't want the bottom so I've never been on the top bunk...

So I got the top bunk but...
whoooosh
I can't sleep!
The stains on the ceiling
LOOK LIKE A PERSON'S FACE!!
STIFF
Plus, for the sake of my straight hair I can't face the side either.

I don't believe in stuff like that.

Mihane-chan, the amazing thing about you is that you came here through your own will.
It was the same for me, but Niji no Oka's filled with girls who came here because of their parents.
There's tons of girls who just accepted their parents' idea of the "best path for the future" without question.

But, Mihane-chan, you came here through your own strong will
